

# Illinois Traffic Fatalities in 2016 A CLOSER LOOK

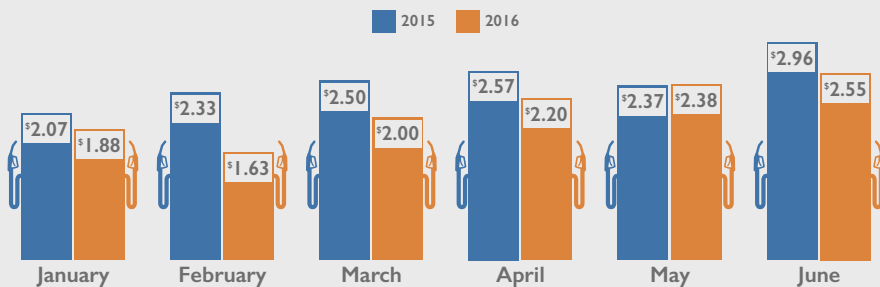

## SNAPSHOT

Annual Illinois traffic fatalities

## GAS PRICES ARE LOW. PEOPLE ARE DRIVING MORE.

### Illinois average gas price

Drivers in Illinois drove

**630 Million**

more miles in 2015 than the average prior four years. To date, 2016 has seen an increase of

**1.7 percent**

in driving over 2015.

## DON'T BECOME A STATISTIC!

### Buckle Up

Nearly half of all fatalities involve someone not wearing a seat belt.

### Drive Sober

Of the 998 fatalities in Illinois in 2015, 246 involved an impaired driver.

### Drop It and Drive

More than 6,000 crashes occurred from 2009 to 2013 caused by driver distraction involving a cellphone.
